Sweet Deal

For the Traditionalist

Think outside the heart-shaped box: An investment of \$100, \$250 or \$500 in the Chocolate Garage's Future Chocolate program allows participating chocolate makers to pay top dollar for raw ingredients sourced ethically in tropical countries. It also buys your cacao-crazy sweetheart an equal sum in credits toward the purchase of the highest quality microbatch product available. Our fave: The supremely smooth selections from Madre Chocolate (left) in flavors like chipotle-allspice and hibiscus. thechocolategarage.com
